

Fire Extinguisher Inventory Tracking Sheet

Free from extinguishercost.tidytrackers.fyi — track what you have, where, and when it's due for inspection or testing.

Need the get-3-quotes worksheet, the red-flags & questions-to-ask checklist, and a cost log too? The Fire Extinguisher Inspection Cost Toolkit is \$9 at extinguishercost.tidytrackers.fyi/#pricing.

FIRE EXTINGUISHER INVENTORY TRACKING SHEET

Business Name: [Business Name] Location/Address: [Address]

Unit #	Location in Building	Type / Class	Size (lb)	Mfg. Date	Last Inspect.	Next Insp. Due	Last Hydro	Next Hydro Due

NFPA 10 reminder: every extinguisher needs a monthly visual check (staff, no certification needed) and an annual inspection by a certified technician. Hydrostatic test intervals vary by type – see the cost guide at extinguishercost.tidytrackers.fyi for typical intervals by class.
